DEDICATED TO THE MEMORY OF TIM WHITCOMB

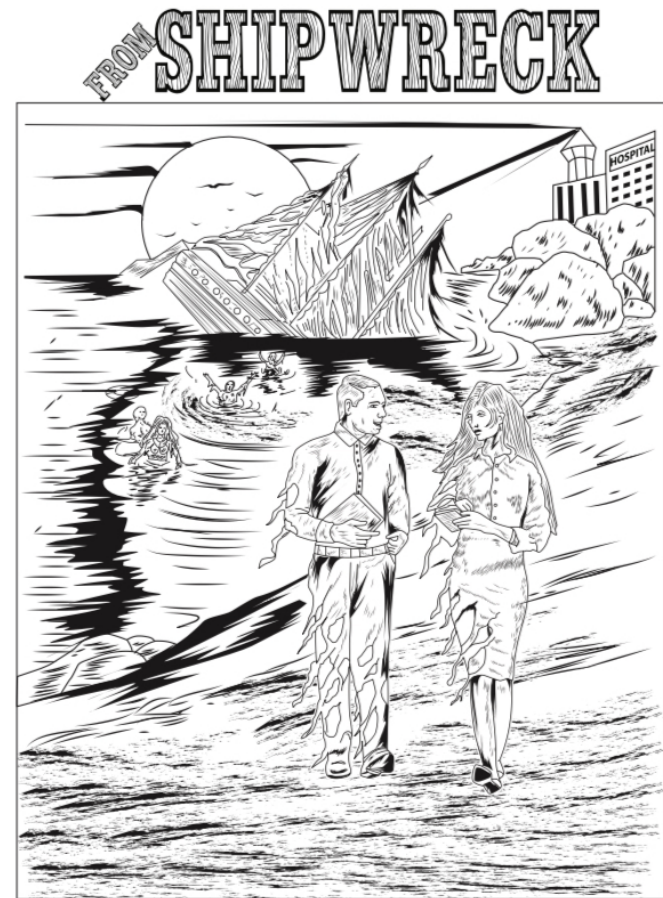

Tim worked tirelessly to carry the message of Alcoholics Anonymous going into California Men's Colony every month for over 38 years. He was also the liason to the CDCR from Alcoholics Anonymous for the Volunteer Advisory Task Force and the manager of Santa Barbara Central Office for over 30 years. He played Dr Bob in the play "Bill W. And Doctor Bob" and helped countless alcoholics to recover in his 42 years sober.

I am responsible...

When anyone, anywhere, reaches out for help,
I want the hand of A.A. always to be there.

And for that: **I am responsible.**
